Welcome to the 2018 Rock & Rut MTB Club season

We welcome you to our 2018 MTB season and trust that we have many exciting initiatives, races and events lined up for you.

1. Rock & Rut 2018

In 2018, the club will host the Nedbank XC Series comprising of five XC events, the Nedbank Namibian National XCM Championships and the FNB Otjihavera Xperience MTB Stage Race. Please check out the 2018 cycle calendar on the RnR website for the dates.

The NCF and RnR will once again host an UCI category 1 race in 2018. Watch out for more details in the new year.

Since 2017 the Rock Hoppers have been integrated into the RnR Club. All RnR members under the age of 14 automatically qualify as a Rock Hopper, irrespective of the membership type. We again want to encourage all Rock Hoppers to sign up as RnR members in 2018 so that the children can benefit from the Club's development plans. RnR will identify one or more SA races in 2018, which will be supported financially. Further information will follow in 2018.

2. Permanent Timing Tags

Raceday Events have introduced permanent timing tags in 2017. RnR has decided that the new permanent timing tags are compulsory for the XC Series. RnR member can use their RnR number boards, but please remove the timing chip on the back of your number board once you received your permanent timing tag from Raceday Events.

The permanent timing tags are available from Johan Pretorius (<http://www.raceday.events/>).

3. NamCF Number

From 2018 the NamCF number will be compulsory for all Namibian cyclists when entering races. To register for the NamCF number please follow this link: <http://mynamcycling.com/> .

4. XC Series 2018

All XC participants will qualify for points at the XC series – no matter if you're a RnR member or a day rider.

Rock & Rut members participate at the XC events for free, i.e. they don't have to pay the day entry free of N\$170.

Non-members may participate in the XC events and will qualify for points, but they must pay the day entry fee of N\$170.

RnR will strictly apply the "no payment, no ride" rule for all riders at the 2018 XC events.

5. Nedbank Namibian National XCM Championships 2018

Please note that you will have to be a member of a Namibian Cycling Club (e.g. Rock & Rut), affiliated to the NCF, if you want to race the 75km Nedbank Namibian National XCM event in February 2018.
